A decorative white floral wreath border surrounds the text on a dark purple background. The wreath consists of stylized leaves and branches, framing the central text.

# Soothing and Cooling Skin Mist

## Ingredients:

2 oz. water

12 drops organic lavender  
essential oil

12 drops organic peppermint  
essential oil

¼ tsp. organic argan oil

## Directions:

1. Combine all ingredients in a spray mister bottle.
2. Shake well, lightly mist your skin.

*Note: Before using a new recipe, spot-test on an inconspicuous area to ensure that the product doesn't irritate your skin.*
