Rejuvenating & Restoring

Argan Oil

Argania spinosa

Argan is sustainably sourced from the nuts of a native desert tree in Morocco and is valued for the protection it offers from the dry desert atmosphere of North Africa.

Argan oil contains high levels of skin rejuvenating essential fatty acids and is great for moisturizing and nourishing the skin.

Rosehip Oil

Rosa canina

Rosehip is extracted from the seeds of rose fruits, known as hips, in South America and is valued as a potent skin-rejuvenator.

Rosehip oil contains pure Vitamin A which is best known for replenishing and restoring skin.

Rejuvenating Neroli Serum

Argan is great for applying to fine lines, restoring the complexion and protecting skin against the elements.

INGREDIENTS:

1oz. bottle Aura Cacia® Organic Argan Oil

10-15 drops Aura Cacia® Precious Essentials™
Neroli Oil

DIRECTIONS: Add neroli essential oil to argan and turn bottle over until well-blended. Apply to complexion as needed.

Restoring Facial Serum

Turn your bottle of Aura Cacia® Organic Rosehip Oil into a fine natural serum appropriate for all skin types. The addition of rose essential oil creates a premium skin care experience for your nightly routine.

INGREDIENTS:

1oz. bottle Aura Cacia® Organic Rosehip Oil

10-15 drops Aura Cacia® Precious Essentials™
Rose Absolute (or Otto)

DIRECTIONS: Add rose absolute or rose otto essential oil to rosehip oil and turn bottle over until well-blended. Apply to skin as needed, concentrating on areas around eyes and corners of mouth.

Moisturizing & Protecting

Baobab Oil

Adansonia digitata

Baobab comes from the nuts of an indigenous African tree and is regarded throughout the continent as nutritious food for the skin. A good oil for moisturizing, baobab will leave your skin glowing and shielded from the elements.

Macadamia Oil

Macadamia ternifolia

Macadamia nut is cultivated in Kenya where the oil's nutritive qualities have been appreciated for years. A wonderful oil for creating a long-lasting sheen of superior skin shielding emollients, macadamia is a great choice for protecting your skin.

Ultra Moisturizing Treatment

The rich texture of baobab oil functions as a wonderful spot treatment. Apply to specific chronically dry areas or use as your favorite general all-over body oil.

INGREDIENTS:

1oz. bottle Aura Cacia® Organic Baobab Oil
10-15 drops Aura Cacia® Lavender or
Roman Chamomile essential oil

DIRECTIONS: Add lavender or Roman chamomile essential oil to baobab and turn bottle over until well-blended. Apply to skin as needed and follow with your regular moisturizer.

Protecting Skin Shield

Macadamia provides a rich, transparent liquid balm to protect exposed skin from the drying effects of sun and wind. The addition of frankincense oil adds an extra level of protection from the elements.

INGREDIENTS:

1oz. bottle Aura Cacia® Organic Macadamia Oil
10-15 drops Aura Cacia® Precious Essentials™
Frankincense Oil

DIRECTIONS: Add frankincense essential oil to macadamia and turn bottle over until well-blended. Apply to exposed skin as needed.

Nourishing

Tamanu Oil

Calophyllum inophyllum

Tamanu oil comes from the nuts of trees growing throughout the South Pacific, where it is employed as a purifying and protecting body oil. Emerald green tamanu oil contains a dense array of powerful anti-oxidant essential fatty acids and is indispensable for promoting the vibrancy of the skin.

Nourishing Tamanu and Lavender Skin Serum

Calming lavender essential oil joins forces with ultra-antioxidant tamanu to create a luxurious serum for any skin type.

INGREDIENTS:

1 oz. bottle Aura Cacia® Organic Tamanu Oil

10-15 drops Aura Cacia® Lavender Essential Oil

DIRECTIONS: Add lavender essential oil to tamanu oil and turn bottle over until well-blended. Apply to skin as needed, concentrating on areas around eyes and corners of mouth.

Aura Cacia's Organic skin care oils come from unique sources and are highly regarded in local cultures and traditions for the natural benefits the oil provides.

Organic skin care oils differ from conventional oils in that the botanicals from which they are derived are grown organically, without pesticides and other chemicals, on ground that has been certified organic.

Our manufacturing facility and all of our organic skin care oils have also been certified organic—meeting the strict USDA requirements for organic products—by the established third-party certifier, Quality Assurance International (QAI).
