Black Peppercorns  
*with Cayenne*

Black Peppercorns  
*with Garlic*

Black Peppercorns  
*with Lemon*

Black Peppercorns  
*with Chipotle*

### Innovative Product from the Industry Leader

- First national brand to offer this innovative and unique peppercorn concept
- First “Fusion” product created with whole peppercorns
- Peppercorns lightly rolled in ground spices to infuse flavor.
- Brand Leadership – Frontier is the leading brand of seasonings in the natural foods channel\*

### Premium Quality

- Our on-site lab helps ensure stringent quality standards
- No irradiation or chemical sterilization
- Certified Organic by Quality Assurance International
- Certified Kosher by KSA

### Built-in Adjustable Grinder

- Adjustable grinder delivers the perfect grind size every time
- The volatile oils in each spice are preserved until the pepper is ground
