

# Need we say more?

## The simple way to go organic ...

### Value

- Simply Organic glass bottles hold +50% more volume than traditional 4 oz. spice bottles.
- Simply Organic spices are competitively priced versus 4 oz. spice products.

### Premium Appearance

- Simply Organic's clear package/label provides assurance of quality and freshness.
- Simply Organic spice caps feature the product name, a key selling attribute for consumers.

### Socially Responsible

- One percent of sales on all Simply Organic products goes to support organic agriculture — through research, education and grower development.

### Quality

- Our in-house Quality Assurance lab enables us to continuously screen raw material.
- Our spices are freshness sealed and dated to ensure great tasting flavor.
- Our in-house steam sterilization system allows us to safely eliminate dangerous microorganisms in organic herbs, spices and botanicals.
  - We do not use irradiation or ethylene oxide (ETO) to sterilize ingredients.
